Chapter #1 – How to find the right job opportunities

From: My Job Search – Self-Reliance

There are 7 unique chapters in this booklet, My Job Search. I will highlight each chapter during the next 7 months. Since there are many pages to each chapter, I will refer you to the booklet for the text. Just click on this link, [My Job Search](#), to open the pdf file on the church website. You may then save it on your own computer.

Please share this information with anyone you can.
