From: My Job Search – Self-Reliance

There are 7 unique chapters in this booklet, My Job Search. I will highlight each chapter during the next 7 months. Since there are many pages to each chapter, I will refer you to the booklet for the text. Just click on this link, [My Job Search](#), to open the pdf file on the church website. You may then save it on your own computer.

Please share this information with anyone you can.

CHAPTER 7-12

The balance of the last 6 chapters contains exercises and checklists to help you identify your biggest job challenge at the current time. As they are duplicates, I will not list them individually.

As you continue of your journey of job searching, remember to repeat the theme statements aloud:

“And it is my purpose to provide for my saints, for all things are mine.”

Doctrine and Covenants 104:15

With faith in the Lord, we are working together to become self-reliant.

The lessons follow the preceding chapter formats by inventorying your personal progress:

Did I keep my commitments?

How can we help each other with job challenges?

Am I becoming more self-reliant?

What should I do to improve?

How will I make daily progress?

How will I report my progress?

This is the last installment from the My Job Search Booklet – Self-Reliance.

If you have any questions or want to start a self-reliance group where you can work with others on these challenges together, contact your unit employment specialist or Priesthood Leader.
