

Self-Reliance Newsletter
By: Michael J. Goodwin
May 2017

Welcome to a New Manual of the Self Reliance Services Series (srs.lds.org). The Church as developed some new manuals specifically for use in the US and Canada. These are slightly different from the International manuals used in the last two segments of my training (My Foundation and My Job Search).

This is the First Chapter from the **Education for Better Work** Booklet (US and Canada Version). I will try to intrigue you with samplings from each chapter, each month in this newsletter.

These new manuals were designed for use primarily in the Self Reliance Group in a facilitated setting. If you have any questions or **want to start a self-reliance group** where you can work with others on overcoming these challenges together, contact your unit employment specialist or Priesthood Leader.

The Rockford Illinois Stake is working on developing a Stake Self-Reliance Committee as discussed in the Leader Guide, I believe, to help encourage and facilitate the self-reliance groups.

A new booklet has been added, Personal Finances; and another one for missionaries called My Plan, was relocated to myplan.lds.org.
